**Priority of Access- Vacancies**

Permanent child care places are allocated to families based on the Australian Government Department of Education and Training Guidelines. As vacancies arise at this child care service priority will be allocated for children who are 1. at risk of serious abuse or neglect  
 2. a child of a sole parent who satisfies, or parents who both satisfy, the activity test through paid employment.

This reflects the Australian Government's intention to help families who are most in need, and support the safety and wellbeing of children at risk in accordance with the Framework for Protecting Australia's Children 2009—2020.
